explosion.

mitted by Dr. H. L. Ross, who did all

The above advertisement is mis-  
leading in view of the fact that I am  
a large stockholder as well as a direct-  
or of The Acetylene Light & Agency  
Co., Ltd. It is true, however, in our  
respect, I have resigned as manager,  
for the reason that my ideas as to  
how the business should be conducted  
were not in accord with the views of  
the controlling interest. I don't like  
their methods and they don't like my  
management, so I quit.—"Verbum sap."

To those who are familiar with my  
methods of conducting business I de-

lished myself at 757 Beretania street,  
telephone 2770, where I shall attend  
to the sale and installation of Solar  
water heaters, which have given uni-  
versal satisfaction. I shall also give  
my personal attention to the ready-  
made house business. I shall also  
handle other lines of interest to the  
public, notice of which will be given  
from time to time. Particular at-

demonstrations which will be given of  
recent developments in gas appliances.
